

About Sahel Consulting

Sahel Consulting Agriculture and Nutrition Ltd (Sahel) is a leading management consulting firm focused on the agricultural and nutrition sectors in Africa. We partner with government agencies, private sector companies, and leading international development organizations to conduct research, analyze policies, develop strategies, and implement programs that promote sustainable food security and improved nutrition. We have worked on a variety of projects across West Africa, including in Benin, Burkina Faso, Ghana, Mali, Nigeria, and Senegal.

Job Title: Consultant

Job Type: Full Time

Closing Date: Open until filled

Overview: The Consultant position is for experienced practitioners passionate about agriculture. Consultants have the opportunity to lead small engagements or workstreams as part of larger engagements with clients across the public, private and social sectors and across multiple value chains to make a tangible impact on the agriculture and nutrition sector in Africa.

Job Description: In this role, you will be required to fulfil the following primary responsibilities:

- Ensure timely and high-quality implementation of Sahel Consulting's projects, including planning, coordination, and reporting of project activities.
- Oversee the work of junior Sahel Consulting employees and contractors to successfully deliver on project objectives
- Prepare PowerPoint and Word reports summarizing research and analyses and developing recommendations for the client.
- Support senior management on other Sahel Consulting initiatives as requested.
- Support proposal writing and business development efforts.

Minimum Qualifications & Requirements: We are looking for candidates with a passion for agriculture who demonstrate leadership, drive, and self-starting. Below are the key qualifications we are looking for:

- Master's in Agriculture, Business, Economics or related discipline
- At least 3-4 years of professional experience
- Experience in overseeing teams
- Strong program management skills and a high level of analytical and problem-solving skills

- Excellent oral and written communication skills (both written and verbal), interpersonal and facilitation skills
- Excellent command of the English language; near-native proficiency in French is an added advantage
- Proficiency in Microsoft Office suite, including Word, Excel, PowerPoint and Outlook
- Willingness to travel (required)
- Past consulting or advisory experience is an advantage.

Position Location: Abuja, Nigeria, with local and international travel.

Method of Application: Qualified applicants should send their CVs to recruitment@sahelconsult.com with “Consultant” as the subject line. Only shortlisted candidates will be contacted.
